

Looking for the perfect holiday giving program? Family Tree can create the ideal combination of holiday giving options to meet your needs through Holidays of Hope. Activities will conclude by **December 16, 2016**.

FREQUENTLY ASKED QUESTIONS

How Do I Get Started? Fill out the Holidays of Hope Questionnaire from Family Tree's website www.thefamilytree.org For more information, call 303-422-2133 or email info@thefamilytree.org

Can my family, company or church participate with me? Absolutely. Family Tree's Holidays of Hope offers a variety of ways to get involved for individuals, social clubs, religious groups, corporations, families and more!

Can I participate in Holidays of Hope in more than one way? Absolutely. Support Family Tree financially, adopt a family, host a drive, donate Thanksgiving food boxes or wish list items, and/or volunteer.

What should a Thanksgiving Tote Bag include? For small families: One can green beans, cranberries, pumpkin and gravy. One box, stuffing, one 3-pound bag potatoes, one pie crust and one \$25 gift card for turkey and perishables. For large families: two of everything above. Placing the items in a reusable tote bag is an added bonus!

Do I need to get permission to host a drive? No, please just share your plans with us so that we can anticipate your gifts and help you coordinate the delivery. Refer to the Wish List for needed items.

Should I wrap the gifts? No, Family Tree staff encourages all donations to remain unwrapped in order to best meet the needs of our clients.

Can I donate gently used items? Used donations are accepted at Family Tree's Treasure Trunk Community Thrift Store Monday-Saturday, 10am-4pm. Treasure Trunk is located at 5892 West 44th Avenue, Wheat Ridge.

What if I'm not certain about the program within Family Tree I would like to support? No problem, we will guide you to the program with the greatest need that best meets your interests.
