Additional notes regarding size of group

Ages of group members

Please note Family Tree's minimum age requirements – Volunteers must be a minimum age of eleven (11) and must have sufficient adult supervision. The minimum age for an individual to volunteers without an adult is 16 years old. Volunteers under 18 may not operate power tools or climb ladders/scaffolding.

Goal project date

Please note- In order to organize the most IMPACTFUL project, we advise a one-month minimum planning time.

Inclimate Weather Policy:

- In the case of bad weather leading up to the group volunteer project, the Director of Volunteer Services will try to identify another possible date.
- If the weather forecast shows rain, snow, high winds or anything that will impede the project, the Director of Volunteer Services or the Director of Facilities will call off the project by 8pm the evening before or by 7am on the morning of the group volunteer project.

Describe your connection with Family Tree (past involvement, mission, etc)
