

COLORADO HOMELESSNESS CONTRIBUTION TAX CREDIT

The Homeless Contribution Tax Credit provides a 25% state income tax credit to Colorado taxpayers who contribute to eligible homelessness-related projects within Colorado.

HCTC replaces the Enterprise Zone Tax Credit.

Monetary gifts of \$200 or more to Family Tree qualify for the HCTC. Colorado Statute (C.R.S. 39-22-548) **requires the taxpayer's full social security number and other personal identifying information to be included on the tax credit certificate.**

A Colorado Tax ID is not an acceptable replacement for the social security number on the certificate. Family Tree is not able to store a donor's full social security number currently. We are accessing our ability to store information securely and safely.

To participate in the new Colorado Homelessness Contribution Tax Credit, call Cindy Gillings (303)403-5891 or Katherine Lawson (303)403-5883 to provide your social security number over the phone.

Cindy or Katherine will share more information about data encryption and safety.

Please note*

Donations made through organizations such as Mile High United Way or Colorado Gives are not eligible for HCTC.
